

Raising & Setting Standards

How the Institute and other bodies support best practice

The Institute of Fundraising is committed to maintaining the highest standards in fundraising. Members of the Institute commit to adhere to a [Code of Conduct](#) and to the [Codes of Fundraising Practice](#).

The Institute has also been instrumental in founding and supporting the work of other bodies that promote best practice in fundraising. These include the [Fundraising Standards Board](#) and the [Public Regulatory Fundraising Association](#).

Key to maintaining and raising standards are the [Codes of Fundraising Practice](#) and the [Standards Committee](#).
