

North West

The volunteer committee of the North West regional group is dedicated to supporting fundraisers across the region by:

- promoting best practice,
- providing access to career development and job opportunities, and
- facilitating networking opportunities and providing local affordable training.

We welcome members and non-members of the Institute of Fundraising to a range of social, educational and networking events throughout the year and can put individuals in touch with colleagues who have extensive experience in a range of fundraising techniques.

So whether you need training advice, specific information, are looking for a job or would like to make contact with fundraising colleagues in your area the North West Group can help.

Contact Irene Chambers at the North West Group for more information.
