

Payroll Giving

What is the Payroll Giving SIG?

The PG SIG exists to ensure that all practitioners involved with Payroll Giving have a common voice as well as the chance to share best practice, network etc. So if you are involved with Payroll Giving at a charity, an agency, a professional fundraising organisation or a relevant industry body, this means you! And if you are an employer, we'd love to hear from you too. Because this group is large and diverse, we meet just twice a year, in spring and autumn; but support, advice and latest news is available at all times either through this site or from the committee members below.

Payroll Giving SIG Meetings

The twice-yearly meetings are well attended and receive positive feedback. They typically focus on the key issues and challenges facing Payroll Giving, as well as providing a genuinely unique opportunity for practitioners to build relationships and share key information and learning.

Details of the next meeting can be found [here](#).

Payroll Giving for Beginners Workshop

Those of you new to Payroll Giving are welcome to attend our introductory sessions led by Tina Steele and Juliet Lupton. Click [here](#) for details of the next one and click [here](#) to download the Payroll Giving Guide for Beginners.
