

Key Policy Issues

Fundraising policy issues are often driven by government policy and changes to existing legislation

As fundraisers employ a variety of fundraising techniques, they must be aware of all new laws and regulations that have an impact on their work.

Information about key policy work is also available in the [Hot Topics](#) section.

Gift Aid

Maximising donations to fundraising organisations

Fundraising and New Charity Law

At the forefront of current fundraising policy issues are several new laws

Driving Forward Best Practice

Ongoing work of the Institute's Policy team
