

## Fundraising Internships

### A useful 'foot in the door' for anyone interested in a career in fundraising

More than 300 charitable organisations are members of the Institute of Fundraising.

They cover the UK and a wide range of fundraising techniques and are ideally placed to offer internships and work experience to those considering moving to or embarking on a career in fundraising.

Opportunities to develop real-life skills in other disciplines such as Marketing and PR are also available.

Make sure to visit here often to stay up-to-date.

There are currently no internships but make sure to check back soon. Job opportunities are regularly posted in the Job Shop.

Do you work for an Organisational member of the Institute, and do you have an opportunity to publicise? Take advantage of this exclusive benefit, [email the Membership team](#).
